## MATHS

This week we are beginning to learn about 2D and 3D shapes. Your task is to go on a SHAPE HUNT. Draw or take photos of 2D & 3D shapes from in and around your home.

**CHALLENGE:**
See if you can draw a picture or take a photo of the shape from different viewpoints. e.g the top, the side and/or the corner.

## INQUIRY

Choose and complete one of the activities from the Healthy Body grid.

## SPELLING

Practise your spelling words by writing them out each night and using LOOK/SAY/COVER/WRITE/CHECK.

Activity: Choose and complete one of the activities from the spelling grid.

## READING

Read aloud to an ADULT for 10-15 min EVERY NIGHT (MON-THU).

Fill in your reader diary after reading and return to school on FRIDAY.
