

A word cloud of mathematical terms on a black background. The words are in various colors (red, green, blue) and sizes, representing different mathematical concepts. The most prominent words include:

- billions (red)
- decimal (green)
- million (blue)
- units (blue)
- hundredths (blue)
- thousandths (blue)
- thousand (green)
- hundreds (green)
- tens (blue)
- columns (green)
- hundred (blue)
- thousands (blue)
- place (green)
- value (green)
- ones (green)
- thousands (blue)
- million (blue)
- equation (red)
- point (blue)
- tenths (blue)
- trillion (green)
- trillions (green)
- numeral (blue)
- fifteen (blue)
- numeracy (blue)
- numerals (red)
- millionths (green)
- equals (blue)
- times-tables (blue)
- nineteen (blue)
- cents (blue)
- decimals (blue)
- numbers (red)
- smallest (blue)
- dollars (green)
- Million (green)
- forty (red)
- largest (blue)
- digits (green)
- Thousand (blue)
- billion (red)
- fifty (green)
